DETAILED ACTION

Response to Amendment

1. This action is in response to the after-final amendment filed 01 April 2004 that cancelled claims 1-6, 9-12, and 15-22.

Allowable Subject Matter

2. Claims 7, 8, 13, and 14 are allowed.
3. The following is an examiner's statement of reasons for allowance: the claims are allowable over the prior art because they mandate that signatures based on the signatures' respective keys be sent to both the sender and the recipient. See, for example, lines 13-18 of claim 13 or lines 13-14 and 19-20 of claim 14 for specific claim language. When combined with the other features of the claims, this signature dispersal renders the claims non-obvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
